

# End of Student Teaching Reflection:

Please answer these questions as completely and as detailed as possible.

1. What was your favorite writing activity of this semester with Miss Donnelly and why?

- Coach/Mentor Poem, Letter to Mitch, 'Day In the Life' Comic, 'Day in the Life' Narrative Comic Story, Timeline Activity, Narrative – Moment Story

My favorite writing activity was the moment story because it was a paper that I got to choose what to write about rather than other essays which usually have to meet certain requirements or topics.

2. What was your least favorite writing activity of the semester with Miss Donnelly and why?

My least favorite writing activity was the Day In the Life comic because I didn't enjoy doing the comic strip format as much as I enjoyed the other topics.

3. What was hard about narrative/self-writing? What was fun?

The hard thing about this was trying to remember details of what happened but yet it was fun writing a memory about it.

4. What is something that you learned this semester?

I learned that when you really put hard work into these stories, they can turn out great when you make an effort to use details & descriptions.

5. What did you like about Ms. Donnelly's teaching style/classes with Miss Donnelly? What did you dislike? Please add any other comments for her.

I liked how Ms. Donnelly made time for everyone to really learn about them and their stories.

\*I know you will do great teaching in the future - thanks for being a great student teacher!! Good luck! :)
